

Special Offer for Association for Radiologic & Imaging Nursing
Johns Hopkins Evidence-Based Practice
Online Educational Series
ONLY \$30 UNTIL 12/31/18
5.0 ANCC contact hours

This course is an engaging online experience, containing interactive elements, self-checks, instructional videos, and demonstrations of how to put EBP into use. The course follows the EBP process from beginning to end and provides guidance to the learner on how to proceed, using the tools that are part of the Johns Hopkins Nursing EBP model.

LEARN HOW TO...

1. Participate in EBP projects
2. Answer clinical, educational, and administrative problems using the Johns Hopkins Nursing Evidence Based Practice (JHNEBP) Model
3. Identify an EBP problem and question
4. Search and appraise literature
5. Implement change using the JHNEBP Model

REGISTRATION INSTRUCTIONS
