

## Association for Radiologic & Imaging Nursing Report

**Date:** March 8, 2014

**From:** Linda McDonald, MSN, RN, CRN

**Committee/ Work Group/Liaison Role/Staff Role:** AHRA Liaison

**Need Board Action:** \_\_\_\_\_ **Information Only:**  \_\_\_\_\_

**Date of Last Action or Meeting (as applies):** The last meeting attended was the AHRA Annual Meeting in August 2012.

**Summary of Activities since last report:** Due to a lack of active collaborative activity with the AHRA and an effort to conserve funds during the ARIN management company transition the decision was made by myself and the board not attend the AHRA Annual Meeting in 2013. A report was submitted to the AHRA Liaison Committee for review at their Annual meeting. Email communications were sent to the AHRA president and AHRA Design Team chair suggesting collaboration on a radiology nursing management education track with nursing CEU's at their Annual Meeting. The AHRA had 2 tracks in place and they introduced a new physician track at the 2013 meeting. There has been no return communication with AHRA since that time.
